MEDINA COUNTY SAFETY COUNCIL VOUCHER PROGRAM

In order to expedite the registration process at the Medina Safety Council meetings we have a voucher system which some 100 companies are taking advantage of.

Safety Council lunches can be paid for the entire year or part of the year either by credit card or check. After receipt of the credit card or check, your company will receive a book of vouchers in the mail. A voucher will allow the representative from your company to skip the registration line and just drop off the voucher, sign in and proceed to the Safety Council meeting.

THIS SYSTEM HAS SEVERAL ADVANTAGES

NO REGISTRATION LINE

NO CASH, CHECK OR CREDIT CARD NEEDED EACH MONTH

The lunch vouchers are \$12 each and you can purchase as many vouchers as you need. Vouchers are transferable within the company. Vouchers can be used any month regardless of date. If you purchase vouchers and forget to bring it with you to a meeting, you will receive an invoice in the mail for the meeting lunch. You can then simply return the invoice with the voucher. Please note that some seminars will be more expensive. You may simply use your voucher and add any additional monies that are necessary.

Any questions concerning the voucher program or the Safety Council program can be directed to Susan Murawski at 330-591-9281 or safety@medinaohchamber.com
